ORDER

This matter came before the Court on the Petition for Issuance of Order to Participating Providers filed by the Receiver of Southern Health Systems, Inc. ("SHS"). Under Alabama law and the contracts between SHS and the participating health care providers ("Providers"), the Providers are prohibited from billing, charging or seeking compensation from any enrollees of SHS. This Court has also enjoined all persons from collecting or attempting to collect the payment of the costs of basic health care services from enrollees in violation of the Providers' contracts with SHS. (Consent Order of Rehabilitation, Permanent Injunction, Appointment of Receiver, and other Relief, p. 4, ¶ 48; Order Terminating Rehabilitation Proceedings and Order of Liquidation, ¶ 21).

The Receiver has represented to this Court that participating providers are attempting to bill enrollees or collect payment from them in violation of their contractual obligations and this Court's Injunction.

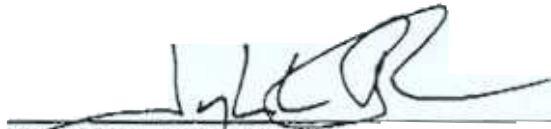

THEREFORE, IT IS HEREBY ORDERED AS FOLLOWS:

1 Any Participating Providers who violate the injunctive provisions of this Court's orders by billing, charging or seeking compensation from any enrollees of SHS will be held in contempt and subject to appropriate sanctions as established by this Court.

2. The Receiver is directed to mail a copy of this order by first class mail to all Providers affected hereby.

3 This Court shall retain exclusive jurisdiction over this cause for all purposes necessary to enforce this Order.

THIS THE ^{November} ~~21~~ DAY OF ~~OCTOBER~~ 2001.
